

**CALLING FOR NOMINATIONS FOR**

**THE AMERICAN ACADEMY OF  
FERTILITYCARE PROFESSIONALS**

**OUTSTANDING MEDICAL  
CONSULTANT AWARD**  
Criterion for Selection

1. Individual must be an Active Member of the Academy in good standing and a certified NFP Medical Consultant.
2. Must have a current medical practice that is NFP only and includes a substantial component of providing Services in Natural Procreative Technology to patients using NFP.
3. Individual has made an outstanding contribution to the Creighton Model FertilityCare™ System through service, education, and/or research.  
For example, any of the following:

Check applicable criteria:

- Actively serve as a medical advisor director or consultant to an accredited Creighton Model FertilityCare™ System service program;
- Served as the core faculty for an accredited Creighton Model FertilityCare™ System education program;
- Is the principal investigator of practice-based NFP research that has been published in a recognized professional journal;
- Has given extensive medical support to Creighton Model FertilityCare™ Practitioners, either locally or long-distance;
- Has given many talks promoting NFP to health professionals; or
- Maintains very active involvement in NFP under adverse conditions.

4. Any member or colleague may submit this recommendation.
